LAST NEWSLETTER FOR THE YEAR!!

This year has flown by and the kids are beginning to feel restless and wanting to be outside. We will persevere and get our work done and still have some fun for the end of the school year. I hope everyone has a great summer and I look forward to seeing almost all of you back. For the kiddos moving up good luck and we will see you around I am sure!!

PICNIC AT THE PARK

We will be walking to the park for a picnic lunch on May 21st. Rain date will be the 22nd. We plan to have a McDonald's lunch that day. I will send home permission slips and you can fill out McDonald's orders that we will get for the kids that day!

REPORT CARDS AND PROGRESS REPORTS

Report cards and progress reports will hopefully be going home the last Friday of school the 18th! If not I will send them home/mail them if the kids are not there on the last week of school.

SUMMER

The end of the year is here. We will continue to work and finish up things here to wrap up the year. I hope to get activities made to coincide with the kids goals to send home for the summer for extra practice. If you have ESY the provider will contact you to set up times and dates for the services.

SOCIAL SKILLS GROUP

Miss Sherri will be around to do our last social skills group on May 11th!!

END OF THE YEAR FUN

At the end of the year fun events pop up on the calendar all the time. We will do our best to participate as we are able and we will be as involved as possible in the fun. As I find out about fun and events I will let you know as well. Thanks for your cooperation and patience!
