

Psychological Services

Delivery Modes:

1. Direct Counseling Services with Students and/or Parents
2. Indirect Services with Students and/or Parents
3. Consultation with Teachers and/or Parents
4. Evaluative services for students

School Psychologists work closely with classroom staff as well as other related service providers. When providing IEP services, School Psychologists will complete and send home Quarterly Progress Reports for each quarter. An annual review meeting will be conducted to review your child's progress on individual goals and objectives then to determine goals and objectives for the next year.
