Programs and Curriculum Development

In order to provide instructional services for the special education students served in Member Districts, the Director, in consultation with the Executive Board, shall develop a plan of services. It shall be a plan that is educationally sound and that justifies itself in substantial benefits to the students served.

The plan shall ensure that Member Districts have available a full continuum of services.

The Director shall develop a curriculum review program to monitor the current curriculum and promptly suggest changes to make the curriculum more effective, to take advantage of improved teaching methods and materials, and to be responsive to social change, technological developments, student needs, and community expectations.
