#### Requests for Nonresident Student Attendance in SESE Classrooms/Programs

Nonresident students may attend a South Eastern Special Education classroom or program upon the approval of a request submitted by the student's resident school district for admission. The Director may approve the request subject to the following:

1. The student will attend on a year-to-year basis. Approval for any one year is not authorization to attend a following year.
2. The student will be accepted only if there is sufficient room, as determined by the Director.
3. The student's resident district will be charged the amount of tuition determined by the Director for the specific classroom or program, as allowed by State law.
4. The student's resident district will be responsible for transporting the student to and from school.

The Director shall be responsible for promulgating a set of procedures to implement and enforce this policy. Nothing in this policy shall be construed to require the admission for nonresident students.
