## SICKNESS

Just a reminder...Please keep your child home when they are sick. They must be fever free without medicine for 24 hours. When our kids are sick, they have several behaviors because they do not know how to tell us they do not feel well. Thank you for your help.

## PUMPKIN PATCH CBI TRIP

We will be going to Streif's Pumpkin Patch in Flora for our first CBI Trip. We will be going to McDonald's for lunch. Students will need to bring money for their lunch.

## JACKETS

Please be sure to send coats to school. We will go out for recess as much as possible. It is good for our gross motor skills to play outside!

## THANK YOU!

Thank you for all of your help and support! If you ever need anything from me, please let me know!
