

## How to merge your pdf files into one document:

Download PDF mergy from the Chrome app store – free

Click on PDF mergy under the colored Apps block on top left hand side of screen

Click on PDF mergy

Click on select files from computer (if stored on hard drive) or select files from Google drive if stored in google drive. Then add the files in the order you want them. Page 1 first followed by page 2, etc.

Click on “merge” after you’ve added all documents for one student.

Click on save to computer or save to Google drive. If saved to computer, email as attachment. If saved in Google drive, then share with your supervisor and SESE student files.
