## **CALENDARS**

The links to each district’s school calendar are available at [www.sese.org](http://www.sese.org). SESE classroom teachers should provide each student a copy of the calendar of the district where their class is housed. By July 1, the Director will notify each itinerant employee of the school calendar he/she is to follow for the coming school year.

## **CLOSE OF SCHOOL YEAR**

All employees will turn in their laptop computers, iPads, and chargers for the summer. Student files for students that have graduated or who have moved away need to be shredded either by teacher or returned to TAS to be shredded at SESE.

### ***Corporal Punishment***

According to State and SESE policies, corporal punishment shall not be used. Corporal punishment is defined as slapping, paddling, prolonged maintenance of students in physically painful positions, or intentional infliction of bodily harm. It does not include reasonable force and physical restraint as needed to maintain safety for other students, school personnel or persons, or for the purpose of self-defense or the defense of school property.

### ***Handling Drugs/Alcohol/Weapons***

Upon finding or suspecting a student has drugs, alcohol, or a weapon, we must provide a safe secure environment by:

1. If there is an imminent risk of danger – CALL 911. Do not attempt to remove a weapon in an unsafe situation. If not start with #2.
2. If it is in plain sight secure the drugs/alcohol/weapon from the student and place in a locked cabinet. You are not allowed to search their person or property if you just suspect it.

3. Immediately notify licensed personnel.
4. Immediately call a Technical Assistance Supervisor or Director. **Do Not Leave A Message.**

### ***Handling Physical Aggression***

Classroom teachers and other South Eastern Special Education staff may use reasonable and graduated force and physical restraint to remove students from a classroom for disruptive behavior that poses a threat of safety to self, others or property. South Eastern Special Education utilizes the Therapeutic Crisis Intervention System for Schools or Safety-Care for handling physical aggression. All employees are required to complete training on a yearly basis. Physical restraints should only be employed after other less intrusive approaches have been attempted unsuccessfully. Physical restraints should only be used as a safety response when there is imminent risk of harm to the student, other students, or staff members. Physical restraints should never be used as punishments, consequences, for “demonstrating who is in charge,” or for classroom maintenance. All incidents of physical intervention must be recorded on the restrictive intervention form.

### ***Physical Restraint***

2. If the restraint lasts 30 minutes, staff must contact administration in order to receive permission to continue restraint. After the first 30 minutes, administration must be contacted every 15 minutes.

To adequately complete the form, each staff member involved in the incident must complete the summary of the event. The student should also be examined by a neutral third party.
4. Any injuries to staff or students should be documented on the Accident Report Form.

Never deny a child lunch, milk, or snack for any reason. You may require the child to eat alone, with supervision.

If a student demonstrates behavior which interferes significantly with student learning or the learning of others an FBA must be completed and an BIP should be developed. Consent must be obtained prior to beginning data collection. The Functional Behavior Assessment Consent form is available at [www.sese.org](http://www.sese.org).

### ***Exclusionary Time-Out***

1. Exclusionary time-out procedures shall be attached to and made a part of each student's IEP, as recommended by a consensus of IEP participants.
2. Only Time-out rooms that have been designed and constructed in compliance with II State regulations and approved by the Director or designee shall be used.
3. Time-out procedures are not to be utilized as a form of punishment, but as a procedure, which will allow a student to regain composure and control. Once a

student is no longer disruptive, he/she may return to the classroom.

4. Students placed in time-out shall be monitored and supervised at all times. Anytime a restrictive intervention, such as time-out is used, Use of Restrictive Interventions Form and Life Space Interview Form shall be utilized and completed.

### **ACCESS TO ELECTRONIC NETWORKS POLICY**

**6:235**

Electronic networks, including the Internet, are a part of the District's instructional program in order to promote educational excellence by facilitating resource sharing, innovation, and communication. The Director or designee shall develop an implementation plan for this policy and appoint a system administrator.

The District is not responsible for any information that may be lost, damaged, or unavailable when using the network, or for any information that is retrieved or transmitted via the Internet. Furthermore, the District will not be responsible for any unauthorized charges or fees resulting from access to the Internet.

#### ***Curriculum***

The use of the District's electronic networks shall (1) be consistent with the curriculum adopted by the District as well as the varied instructional needs, learning styles, abilities, and developmental levels of the students, and (2) comply with the selection criteria for instructional materials and library-media center materials. Staff members may, consistent with the Director's implementation plan, use the Internet throughout the curriculum.

The District's electronic network is part of the curriculum and is not a public forum for general use.

#### ***Acceptable Use***

All use of the District's electronic network must be (1) in support of education and/or research, and be in furtherance of the Board's stated goal, or (2) for a legitimate school business purpose. Use is a privilege, not a right. Students and staff members have no expectation of privacy in any material that is stored, transmitted, or received via the District's electronic network or District computers. General rules for behavior and communications apply when using electronic networks. The District's *Authorization for Electronic Network Access* contains the appropriate uses, ethics, and protocol. Electronic communications and downloaded material, including files deleted from a user's account but not erased, may be monitored or read by school officials.

#### ***Internet Safety***

Each District computer with Internet access shall have a filtering device that blocks entry to visual depictions that are (1) obscene, (2) pornographic, or (3) harmful or inappropriate for students, as defined by the Children's Internet Protection Act and as determined by the Director or designee. The Director or designee shall enforce the use of such filtering devices.

The Director or designee shall include measures in this policy's implementation plan to address the following:

1. Ensure staff supervision of student access to online electronic networks,
2. Restrict student access to inappropriate matter as well as restricting access to harmful materials,
3. Ensure student and staff privacy, safety, and security when using electronic communications,
4. Restrict unauthorized access, including "hacking" and other unlawful activities, and
5. Restrict unauthorized disclosure, use, and dissemination of personal identification information, such as, names and addresses.

### ***Authorization for Electronic Network Access***

Each staff member must sign the District's *Authorization for Electronic Network Access* as a condition for using the District's electronic network. Each student and his or her parent(s)/guardian(s) must sign the *Authorization* before being granted unsupervised use.

All users of the District's computers to access the Internet access shall maintain the confidentiality of student records. Reasonable measures to protect against unreasonable access shall be taken before confidential student information is loaded onto the network.

**The failure of any student or staff member to follow the terms of the *Authorization for Electronic Network Access*, or this policy, will result in the loss of privileges, disciplinary action, and/or appropriate legal action. (Your supervisor will give you a copy of this document during institute. Please read, sign, and return.)**

### **EMAIL RETENTION ADMINISTRATIVE PROCEDURE**

**5:130 AP**

Email, including attachments that are sent or received by the District or District employees may be, depending on their content, subject to disclosure under the Freedom of Information Act and/or discovery in litigation as evidence in support of a claim. Employees must use the same standards of judgment, propriety, and ethics with email as they do with other forms of school business-related communications.

Accordingly, employees have the same responsibilities for email messages as they do for any other communication and must distinguish between record and non-record messages. This allows for the proper storage or disposal of email. However, no District record, no matter its form, may be destroyed if it is subject to a litigation hold. See administrative procedure 2:250-AP2, *Protocols for Record Preservation and Development of Retention Schedules*. For guidance on School Board member use and retention of email, see 2140-E, *Guidance for Board Member Communications, Including Email Use*.

### **Non-Record Messages**

Email messages are "non-record messages" if they do not evidence the District's organization, function, policies, procedures, or activities; or contain informational data appropriate for preservation. These are generally informal or preliminary drafts, notes, recommendations, or memoranda that do not contain official action. Examples include:

1. Personal correspondence not received or created in the course of District or school business, such as, "What's for dinner?" or "I'll be glad to drive to the meeting."
2. Notices concerning meetings or workshops, dates, discussion topics, and material to prepare for or to be discussed during a meeting.
3. Publications or promotional material from vendors and similar materials that

are available to anyone.

4. Correspondence containing recommendations or opinions that are preliminary to a decision.
5. Informal correspondence to parents/guardians concerning school activities or an individual student's progress or assignments provided the messages do not contain notice of final or official action.
6. Draft material.

If the email is a "non-record message," the employee should delete it as soon as its purpose is fulfilled unless the email is subject to a litigation hold. The goal is to control excessive accumulation of material.

### ***Official Record Messages***

Email messages are "official record messages" if they are evidence of the District's organization, function, policies, procedures, or activities or contain informational data appropriate for preservation. Examples include:

1. Policy documents or contract related document
2. Correspondence, e.g., letters, memos, emails from individuals, companies, or organizations requesting information about the District or school policies or practices and the responses to these requests.
3. Project reports.
4. Correspondence dealing with significant aspects of District administration or a school executive office, including messages containing information concerning policies, programs, fiscal and personnel matters, and contracts.

Official record messages should routinely be transferred to the records maintenance location identified by the Records Custodian or Head of Information Technology (IT). Before transferring the message, the employee should identify it as belonging in one of the categories of records established by the Record Custodian or Head of IT. Once transferred, it becomes the official copy and the original electronic version may be deleted according to the District's approved record preservation and retention schedule. See administrative procedure 2:250-AP2, *Protocols for Record Preservation and Development of Retention Schedules*.

### **EMERGENCY FORMS**

Parents will be notified regarding enrollment forms by mail. Enrollment forms are located on [www.sese.org](http://www.sese.org). Classroom teachers should contact parents and complete student forms on [www.sese.org](http://www.sese.org) (forms - student forms) who fail to submit their forms. *Emergency Forms* should be completed for any new student enrolling in SESE classrooms throughout the school year by providing the parent with the link to [www.sese.org](http://www.sese.org). A copy of the completed emergency form should be kept in the classroom Emergency Bag and a copy sent to the child's home district coordinator. If difficulty arises in obtaining completed

emergency forms, contact a Technical Assistance Supervisor immediately.

### **END OF THE MONTH ACTIVITIES**

All personnel shall submit a monthly *Time Sheet - Licensed* or *Time Sheet - Educational Support Personnel* online by the third working day of each new month.

Itinerant personnel should electronically submit a *Contact Summary* (correct form is loaded in your Google Drive) documenting the amount of time spent with each child during the month and medicaid information. Include direct service minutes as well as consultative minutes.

Itinerants must also complete *Monthly Log Forms* on a **bi-yearly** basis only to track additional meetings during the school day. This form is to be completed in October and February for a time sample. Submit these to your supervisor by the third working day following the end of each month.

A monthly Student Attendance Summary Form will be e-mailed to all SESE classrooms. All classroom teachers should complete and email the Monthly Student Attendance Summary Form to Joyce Reis [jreis@sese.org](mailto:jreis@sese.org) on the **last working day of each month**. Please list all students' formal names in alphabetical order, write the exact number of days present and exact number of days absent, and the exact date(s) the student is absent, following the district calendar where the classroom is located.

### **EQUAL EMPLOYMENT OPPORTUNITY AND MINORITY RECRUITMENT 5:10**

The District shall provide equal employment opportunities to all persons regardless of their race, color, religion, creed, national origin, sex, sexual orientation, age, ancestry, marital status, arrest record, military status, order of protection status, unfavorable military discharge, citizenship status provided the individual is authorized to work in the United States, use of lawful products while not at work, being a victim of domestic or sexual violence, genetic information, physical or mental handicap or disability, if otherwise able to perform the essential functions of the job with reasonable accommodation, pregnancy, childbirth, or related medical conditions, credit history, unless a satisfactory credit history is an established bona fide occupational requirement of a particular position, or other legally protected categories. No one will be penalized solely for his or her status as a registered qualifying patient or a registered designated caregiver for purposes of the Compassionate Use of Medical Cannabis Pilot Program Act, 410 ILCS 130/.

Persons who believe they have not received equal employment opportunities should report their claims to the Nondiscrimination Coordinator and/or a Complaint Manager for the Uniform Grievance Procedure. These individuals are listed below. No employee or applicant will be discriminated or retaliated against because he or she: (1) requested, attempted to request, used, or attempted to use

a reasonable accommodation as allowed by the Illinois Human Rights Act, or (2) initiated a complaint, was a witness, supplied information, or otherwise participated in an investigation or proceeding involving an alleged violation of this policy or State or federal laws, rules or regulations, provided the employee or applicant did not make a knowingly false accusation nor provide knowingly false information.

Administrative Implementation

The Director shall appoint a Nondiscrimination Coordinator for personnel who shall be responsible for coordinating the District's nondiscrimination efforts. The Nondiscrimination Coordinator may be the Director or a Complaint Manager for the Uniform Grievance Procedure. Director shall insert into this policy the names, addresses, and telephone numbers of the District's current Nondiscrimination Coordinator and Complaint Managers.

*Nondiscrimination Coordinator:*

Name: Robyn Payne

The Director shall also use reasonable measures to inform staff members and applicants that the District is an equal opportunity employer, such as by posting required notices and including this policy in the appropriate handbooks.

Minority Recruitment

The District will attempt to recruit and hire minority employees. The implementation of this policy may include advertising openings in minority publications, participating in minority job fairs, and recruiting at colleges and universities with significant minority enrollments. This policy, however, does not require or permit the District to give preferential treatment or special rights based on a protected status without evidence of past discrimination.

**ETHICS AND GIFT BAN POLICY**

**2:105**

Prohibited Political Activity

The following precepts govern political activities being conducted by District employees and Board members:

1. No employee shall intentionally perform any “political activity” during any “compensated time”, as those terms are defined herein.
2. No Board Member or employee shall intentionally use any District property or resources in connection with any political activity.
3. At no time shall any Board member or employee intentionally require any other Board member or employee to perform any political activity: (a) as part of that Board member’s or employee’s duties, (b) as a condition of employment, or (c) during any compensated time off, such as, holidays, vacation, or personal time off.
4. No Board member or employee shall be required at any time to participate in any political activity in consideration for that Board member or employee being awarded additional compensation or any benefit, whether in the form of a salary adjustment, bonus, compensatory time off, continued employment or otherwise; nor shall any Board member or employee be awarded additional compensation or any benefit in consideration for his or her participation in any political activity.

A Board member or employee may engage in activities that: (1) are otherwise appropriate as part of his or her official duties, or (2) are undertaken by the individual on a voluntary basis that are not prohibited by this policy.

#### Limitations on Receiving Gifts

Except as permitted by this policy, no Board member or employee, and no spouse of or immediate family member living with any Board member or employee shall intentionally solicit or accept any “gift” from any “prohibited source,” as those terms are defined herein, or that is otherwise prohibited by law or policy. No prohibited source shall intentionally offer or make a gift that violates this policy.

The following are exceptions to the ban on accepting gifts from a prohibited source:

1. Opportunities, benefits, and services that are available on the same conditions as for the general public.
2. Anything for which the Board Member or employee, or his or her spouse or immediate family member, pays the fair market value.
3. Any: (a) contribution that is lawfully made under the Election Code, or (b) activities associated with a fund-raising event in support of a political organization or candidate.
4. Educational materials and missions.
5. Travel expenses for a meeting to discuss business.
6. A gift from a relative, meaning those people related to the individual as father, mother, son, daughter, brother, sister, uncle, aunt, great aunt, great uncle, first cousin, nephew, niece, husband, wife, grandfather, grandmother, grandson, granddaughter, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepfather, stepmother, stepson, stepdaughter, stepbrother, stepsister, half brother, half sister, and including the father, mother, grandfather, or grandmother of the individual's spouse and the individual's fiancé or fiancée.
7. Anything provided by an individual on the basis of a personal friendship

unless the recipient has reason to believe that, under the circumstances, the gift was provided because of the official position or employment of the recipient or his or her spouse or immediate family member and not because of the personal friendship. In determining whether a gift is provided on the basis of personal friendship, the recipient shall consider the circumstances under which the gift was offered, such as: (a) the history of the relationship between the individual giving the gift and the recipient of the gift, including any previous exchange of gifts between those individuals; (b) whether to the actual knowledge of the recipient the individual who gave the gift personally paid for the gift or sought a tax deduction or business reimbursement for the gift; and (c) whether to the actual knowledge of the recipient the individual who gave the gift also at the same time gave the same or similar gifts to other Board members or employees, or their spouses or immediate family members.

8. Food or refreshments not exceeding \$75 per person in value on a single calendar day; provided that the food or refreshments are: (a) consumed on the premises from which they were purchased or prepared; or (b) catered. "Catered," means food or refreshments that are purchased ready to consume which are delivered by any means.
9. Food, refreshments, lodging, transportation, and other benefits resulting from outside business or employment activities (or outside activities that are not connected to the official duties of a Board member or employee), if the benefits have not been offered or enhanced because of the official position or employment of the Board member or employee, and are customarily provided to others in similar circumstances.
10. Intra-governmental and inter-governmental gifts. "Intra-governmental gift" means any gift given to a Board member or employee from another Board member or employee, and "inter-governmental gift" means any gift given to a Board member or employee by an officer or employee of another governmental entity.
11. Bequests, inheritances, and other transfers at death.
12. Any item or items from any one prohibited source during any calendar year having a cumulative total value of less than \$100. Each of the listed exceptions is mutually exclusive and independent of every other.

A Board member or employee, his or her spouse or an immediate family member living with the Board member or employee, does not violate this policy if the recipient promptly takes reasonable action to return a gift from a prohibited source to its source or gives the gift or an amount equal to its value to an appropriate charity that is exempt from income taxation under Section 501 (c) (3) of the Internal Revenue Code.

#### Enforcement

The Board President and Director shall seek guidance from the Board attorney concerning compliance with and enforcement of this policy and State ethics laws. The Board may, as necessary or prudent, appoint an Ethics Advisor for this task. Written complaints alleging a violation of this policy shall be filed with the Director

or Board President. If attempts to correct any misunderstanding or problem do not resolve the matter, the Director or Board President shall, after consulting with the Board attorney, either place the alleged violation on a Board meeting agenda for the Board's disposition or refer the complainant to Board Policy 2:260, *Uniform Grievance Procedure*. A Board member, who is related, either by blood or by marriage, up to the degree of first cousin, to the person who is the subject of the complaint, shall not participate in any decision-making capacity for the Board. If the Board finds it more likely than not that the allegations in a complaint are true, it shall notify the State's Attorney and/or consider disciplinary action for the employee.

If this cannot be accomplished, please contact your Technical Assistance Supervisor. **All community-based trips and field trips are pending district transportation availability.**

### **FUNDRAISERS**

### **GRADING - REPORT CARDS**

Classroom teachers are required to inform students about the grading system at the beginning of each school year. All teachers are responsible for completing grades for each quarter, semester, and final reporting periods. To ensure that courses are correct for the report card, teachers need to communicate with their TAS regarding each student's needed subject/credit areas. **All teachers must complete the mainstream add/drop form each time when adding or dropping a student from a mainstream class with the date of transfer.** This ensures that your report card is correct for each student. The class qualifies as mainstream if the grade is being given by a teacher outside the SESE classroom. The Complaint Manager will attempt to resolve complaints without resorting to this grievance procedure. If a complaint is filed under this procedure, the Complaint Manager will address the complaint promptly and equitably. A student and/or parent/guardian filing a complaint under this procedure may forego any informal suggestions and/or attempts to resolve it and may proceed directly to the grievance procedure. The Complaint Manager will not require a student or parent/guardian complaining of any form of harassment to attempt to resolve allegations directly with the accused (or the accused's parents/guardians); this includes mediation.

***Right to Pursue Other Remedies Not Impaired***

The right of a person to prompt and equitable resolution of a complaint filed hereunder shall not be impaired by the person's pursuit of other remedies, e.g., criminal complaints, civil actions, etc. Use of this grievance procedure is not a prerequisite to the pursuit of other remedies and use of this grievance procedure does not extend any filing deadline related to the pursuit of other remedies. If a person is pursuing another remedy subject to a complaint under this policy, the District will continue with a simultaneous investigation under this policy.

***Deadlines***

All deadlines under this procedure may be extended by the Complaint Manager as he or she deems appropriate. As used in this policy, *school business days* means days on which the District's main office is open.

1. Filing a Complaint

A person (hereinafter Complainant) who wishes to avail him or herself of this grievance procedure may do so by filing a complaint with any District Complaint Manager. The Complainant shall not be required to file a complaint with a particular Complaint Manager and may request a Complaint Manager of the same sex. The Complaint Manager may request the Complainant to provide a written statement regarding the nature of the complaint or require a meeting with the parent(s)/guardian(s) of a student. The Complaint Manager shall assist the Complainant as needed. For bullying and cyber-bullying, the complaint Manager shall process and

review the complaint according to Board policy 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*, in addition to any response required by this policy.

## 2. Investigation

The Complaint Manager will investigate the complaint or appoint a qualified person to undertake the investigation on his or her behalf. The Complaint Manager shall ensure both parties have equal opportunity to present evidence during an investigation. If the Complainant is a student, under 18 years of age, the Complaint Manager will notify his or her parent(s)/guardian(s) that they may attend any investigatory meetings in which their child is involved. The complaint and identity of the Complainant will not be disclosed except: (1) as required by law or this policy, or (2) as necessary to fully investigate the complaint, or (3) as authorized by the Complainant.

The identity of any student witnesses will not be disclosed except: (1) as required by law or any collective bargaining agreement, or (2) as necessary to fully investigate the complaint, or (3) as authorized by the parent/guardian of the student witness, or by the student if the student is 18 years of age or older.

The Complaint Manager will inform, at regular intervals, the person(s) filing a complaint under this procedure about the status of the investigation. Within 30 school business days of the date the complaint was filed, the Complaint Manager shall file a written report of his or her findings with the Director. The Complaint Manager may request an extension of time. If a complaint of sexual harassment contains allegations involving the Director, the written report shall be filed with the Board, which will make a decision in accordance with Section 3 of this policy. The Director will keep the Board informed of all complaints.

## 3. Decision and Appeal

Within 5 school business days after receiving the Complaint Manager's report, the Director shall mail his or her written decision to the Complainant by U.S. mail, first class, as well as the Complaint Manager. All decisions will be based upon the *preponderance of evidence* standard. Within 10 school business days after receiving the Director's decision, the Complainant may appeal the decision to the Executive Board by making a written request to the Complaint Manager. The Complaint Manager shall promptly forward all materials relative to the complaint and appeal to the Executive Board. Within 30 school business days, the Board shall affirm, reverse, or amend the Director's decision or direct the Director to gather additional information for the Board. Within 5 school business days of the Board's decision, the Director shall inform the Complainant of the Board's action.

This grievance procedure shall not be construed to create an independent right to a hearing before the Superintendent or Board. The failure to strictly follow the timelines in this grievance procedure shall not prejudice any party.

### ***Appointing Nondiscrimination Coordinator and Complaint Managers***

The Director shall appoint a Nondiscrimination Coordinator to manage the District's efforts to provide equal opportunity employment and educational opportunities and prohibit the harassment of employees, students, and others. The Nondiscrimination Coordinator also serves as the district's Title IX Coordinator.

The Director shall appoint at least one Complaint Manager to administer the complaint process in this policy. If possible, the Director will appoint 2 Complaint Managers, one of each gender. The District's Nondiscrimination Coordinator may be appointed as one of the Complaint Managers.

**HARASSMENT OF STUDENTS**

A copy of Policy 7:20 Harassment of Students Prohibited shall be sent home with all new students enrolled in a SESE classroom.

**HARASSMENT OF STUDENTS PROHIBITED POLICY** **7:20**  
***Bullying, Intimidation, and Harassment Prohibited***

No person, including a District employee or agent, or student, shall harass, intimidate, or bully a student on the basis of actual or perceived: race; color; national origin; military status; unfavorable discharge status from military service; sex; sexual orientation; gender identity; gender-related identity or expression; ancestry; age; religion; physical or mental disability; order of protection status; status of being homeless; or actual or potential marital or parental status, including pregnancy; association with a person or group with one or more of the aforementioned actual or perceived characteristics; or any other distinguishing characteristic. The District will not tolerate harassing, intimidating conduct, or bullying, whether verbal, physical, or visual, that affects the tangible benefits of education, that unreasonably interferes with a student's educational performance, or that creates an intimidating, hostile, or offensive educational environment. Examples of prohibited conduct include name-calling, using derogatory slurs, stalking, sexual violence, causing psychological harm, threatening or causing physical harm, threatened or actual destruction of property, or wearing or possessing items depicting or implying hatred or prejudice of one of the characteristics stated above.

### ***Sexual Harassment Prohibited***

Sexual harassment of students is prohibited. Any person, including a district employee or agent, or student, engages in sexual harassment whenever he or she makes sexual advances, requests sexual favors, and/or engages in other verbal or physical conduct, including sexual violence, of a sexual or sex-based nature, imposed on the basis of sex, that:

A student may choose to report to a person of the student's same sex. Complaints will be kept confidential to the extent possible given the need to investigate. Students who make good faith complaints will not be disciplined.

An allegation that one student was a victim of any prohibited conduct perpetrated by another student shall be referred to the Building Principal, Assistant Building Principal, or Dean of Students for appropriate action.

The Director shall insert into this policy the names, addresses, and telephone numbers of the District's current Nondiscrimination Coordinator and Complaint Managers. At least one of these individuals will be female, and at least one will be male.

### ***Nondiscrimination Coordinator:***

Name: Robyn Payne

Any District employee who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be subject to disciplinary action up to and including discharge. Any District student who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be subject to disciplinary action, including but not limited to, suspension and expulsion consistent with the discipline policy. Any person making a knowingly false accusation regarding prohibited conduct will likewise be subject to disciplinary action up to and including discharge, with regard to employees, or suspension and expulsion, with regard to students.

ADOPTED: December 10, 2014

The *Student Bullying/Harassment Complaint Form* should be made available to students at all times. A secure location should be created to allow complaints to remain confidential. Once a complaint is made, classroom staff should complete the *Investigation of Misconduct* forms to determine the findings of the claim. If the student is uncomfortable speaking with a classroom staff person, the classroom teacher should call the above mentioned complaint managers to interview the student. Once the interviews are complete, the *Investigation Findings of Harassment Form* should be completed and placed in the student file and a copy sent to the TAS of the classroom.

**HEAD LICE PROCEDURE**

**7:250-AP**

Staff should: Follow district policy and procedures where the classroom is located and send home any materials, memos, etc. from the district regarding head lice. To prevent the spread of head lice infestations, staff should report all suspected cases of head lice to the school nurse or designee as soon as possible so the child may be checked. Continue to follow the procedure of district where classroom is located when head lice or nits are confirmed. If eggs/nits (for districts with nit-free policy) or lice are found, staff will follow district policy regarding excluding the student from attendance and informs the parent(s)/guardian(s) about recommended treatment procedures and sources of further information.

All staff should maintain the privacy of students identified as having head lice and excluded from attendance.

Staff will follow District Policy where classroom is located regarding checking the students to verify that all eggs/nits (in districts that have nit-free policy) and lice are gone so that the student may return.

Staff should contact the TAS to notify the parent(s)/guardian(s) whose excluded student has not returned to school within 5 days of the following:

- School attendance laws
- Action that may be taken if absence continues
- Resources for treatment information

## **INDIVIDUAL EDUCATION PLANS, RECORDS**

### ***IEP Meetings***

It is extremely important that the building principal be notified of all IEP meetings. **Classroom teachers and itinerant case managers** should schedule a room **in advance** for all IEP meetings.

### ***IEP Instruction***

Instruction shall be initiated promptly upon each student's arrival in the classroom and should continue until the last student departs in the afternoon. Utilize program assistants to escort students to and from school buses arriving and departing to facilitate bell-to-bell teacher instruction. Illinois law requires a minimum of five hours of instruction.

### ***IEP Contents***

If a student's behavior impedes his/her learning or learning of others, a functional behavior analysis (FBA) should be completed and an individual behavior intervention plan (BIP) must be attached to the IEP.

### ***IEP Goals - Lunch, Recess***

Time spent during lunch, snack and recess is to be counted as part of the instructional day. A student's IEP should include goals and objectives related to their identified deficits. Some goals are more effectively implemented at naturally occurring daily events. Teachers should plan activities to implement each of these goals. Paraprofessionals may assist in implementation.

### ***IEP Tracking***

Goals and objectives should be tracked according to the monitoring schedule written on the IEP. Tracking sheets must be emailed quarterly for each student to the appropriate email address below.

[autismtracking@sese.org](mailto:autismtracking@sese.org) (autism classrooms)

[ecetracking@sese.org](mailto:ecetracking@sese.org) (ECE classroom)

[edtracking@sese.org](mailto:edtracking@sese.org) (ED classroom)

[hitracking@sese.org](mailto:hitracking@sese.org) (HI teacher)

[msitracking@sese.org](mailto:msitracking@sese.org) (MSI classroom)

[ottracking@sese.org](mailto:ottracking@sese.org) (occupational therapist)

[psytracking@sese.org](mailto:psytracking@sese.org) (psychologist)

[pttracking@sese.org](mailto:pttracking@sese.org) (physical therapist)

[pvtracking@sese.org](mailto:pvtracking@sese.org) (pre-vocational coordinator)

[slptracking@sese.org](mailto:slptracking@sese.org) (speech-language pathologist)

[swtracking@sese.org](mailto:swtracking@sese.org) (social worker)

[vitracking@sese.org](mailto:vitracking@sese.org) (VI teacher)

### ***IEP Progress Reports***

Progress reports are required four times per year to be submitted no later than the date host district report cards are due. All teachers and itinerant providers will be required to submit progress on a quarterly basis. If a student was on your caseload for any period of time during the quarter, a progress report must be completed.

For Districts using **ISTAR** the progress must be recorded on the current IEP goals. This document should be made final. A copy should be printed for parent and sent home with the student's grade card.

For districts using **HELP**, the progress should be recorded on the current IEP goals, printed, scanned and emailed to district and [studentfiles@sese.org](mailto:studentfiles@sese.org). A copy should be sent home to parents with the student's grade card. Files should be saved by Last Name, First initial, DOB(yyyy-mm-dd), Progress Report Service Title Year Month Day (yyyy-mm-dd). (Example - Smith John 2000-04-01 Progress Report SLP 2016-01-20) Do not put in commas. The month and day both must have two digits.

The IEP information must be quantifiable data (numbers, trials, percentage) as indicated by criteria for mastery. This information **MUST MATCH** and be measured in the same manner as indicated in the "evaluation criteria". This information should be listed in the "Dates Reviewed/Extent of Progress" objective box.

### ***Records - Central Office Files***

All evaluation and caseload files will be shared with you via Google Drive. If you do not have a needed student file, make sure that you have completed the add/drop form, then contact Joyce. If you find another student's document in the wrong file, please contact Joyce.

### ***Annual Reviews/IEP***

SESE staff should consult with TAS on proposed goals and objectives prior to the IEP meeting. Parent input is required and should be documented.

**Each teacher/itinerant provider must complete a current progress update for all annual reviews. A formal report is not required. Progress for all quarters of the current IEP must be available at the annual review.**

### **INSTITUTE DAYS**

All SESE classroom and itinerant staff will participate in the assigned SESE district Institute Day activities unless they have submitted a plan that was scheduled by or approved by the Supervisor and Director. This plan must be submitted **three (3) school days in advance** using the *Institute- SIP-PT Conf. Plan form* with a detailed explanation of the structured training activities they will be attending. All SESE teachers need to check with building administration regarding the district's institute plan, and note this on the form if they feel it is appropriate and want to attend it instead of the SESE assigned activity. If there is a District Institute agenda, it should be attached.

## **INVENTORY CHANGE**

All inventory changes must be approved by your immediate Technical Assistance Supervisor prior to moving an item to or from your classroom. Classroom teachers should record all changes on the *Change of Inventory* form. This procedure must also be followed prior to throwing any destroyed item away.

## **ITINERANT CASELOAD**

You will be in control of updating your caseload. If you add a student, you will add their information, by adding the date and the minutes or support to staff information. If you drop a student, you will enter the drop date and remove the minutes. If you change minutes, adjust the minutes, but make a note to show this change. Enter any information in the notes field that is necessary for someone to track what has happened with this student (i.e. moved, eligibility, equipment, ESY, homebound, etc.) You will not delete any students from your caseload, you will just make changes to their information, that way we can track caseloads for the entire school year. If a student moves from your district to someone else's district within the Cooperative, you will need to communicate with the other clinician in order for them to add to their caseload and then drop them from yours.

For evaluations, Joyce will enter these on your caseload as the referrals come in. You will then just need to add the additional information as the referral continues through the normal process.

Each of your caseloads then feed into a combined document that is accessed for many different processes. **It is VERY important that you keep your caseload up to date at all times. This should become a part of your daily routine.**

You will need to enter the student's name as their legal name, not a nickname. Also, the district should be entered as such CL#10, CL#25, CL#35, CR#1, CR#2, CR#3, CR#4, JA#1, LA#10, LA#20, RI#1. This is important so that when the combined document is sorted, all students and/or districts are sorted together appropriately. For each of your caseloads that is also why you have to enter your name for each student as the clinician, so that on the combined document, it shows who sees them.

Please verify that all your students are listed on your caseload and add the other information that we did not enter as we did not have this information from your previous caseload.

You will no longer have to do the add/drop form, as you are in control of making these changes as they happen.

## **LATE STAY PROCEDURES**

Volunteers must have taken and passed the Therapeutic Crisis Intervention (TCI) training, including meeting its physical requirements, and received training

on the operation of the Late Stay Program prior to working late stay.

The classroom teacher should call Joyce (or dial 0 if she is not available) by 1:00 PM to verify whether or not any student has acquired late stay time. Joyce will contact volunteers between 1:30 and 2:00 to schedule site and times. Please complete *Late Stay Time Sheet* to be paid. Also be sure to check the late stay box on the *Mileage Form* to receive mileage for late stay. Please submit both forms no later than the third working day of the new month.

### **LESSON PLANS**

Teachers should complete lesson plans with required components a minimum of 5 days in advance. Please have these available in your classroom and ready upon request. These lesson plans are to serve as a daily guide for instruction and provide a clear picture of the daily routine to benefit the instruction to students performed by substitutes in your absence. An example Understanding by Design (UBD) lesson plan format is included for reference, if desired, on the SESE website under Educator Resources.

### **LUNCHES - STUDENTS**

Students are **never** to be denied breakfast/lunch for disciplinary reasons. Each SESE class will follow procedures for overdue payment of charged lunches according to the policy of the housing district. In addition, if charges accumulate beyond the limit allowed by district policy, notify the Technical Assistance Supervisor. The resident district of each student housed in a SESE class shall be ultimately responsible for unpaid breakfast/lunch charges.

### **MEDICATION**

Students requiring medication while at school must return a ***Medication Administration Request From Parent form***. The form **must** have a parent/guardian signature as well as a physician's signature. This form is required for all prescription and over the counter medications.

A ***Medication Administration Request From Parent*** form can be accessed at [www.sese.org](http://www.sese.org). This form should be copied by the teacher and sent home with all new students enrolling during the school year, before the first day of attendance in a SESE classroom. Follow procedures outlined in SESE's Administration of Medicine policy using ***Documentation of Medication Administered at School Form***.

1. All medications should be stored in a locked cabinet or in the building nurse's office.
2. All medications must be sent and contained in a labeled bottle/container from the pharmacist with the student's name, medication name, and dosage on the bottle/container. (Parents can request an extra container from the pharmacist.)

3. Epi-Pens, insulin and other life-saving medications that require immediate access for the student should be documented within an individual student's medical plan.

#### Procedures

1. All medications should be distributed by licensed classroom staff unless approved by the director or technical assistance supervisor.
2. Administration of medication should be documented on form.
3. In the event of teacher absence, the teacher should develop a plan for distribution by listing substitute licensed staff(s) that can administer the medication. The plan should be placed in the sub folder.
4. If a licensed staff person is not available, please contact the director or technical assistance supervisor to approve medication distribution.

### **ADMINISTERING MEDICINES TO STUDENTS POLICY**

**7:270**

Students should not take medication during school hours or during school-related activities unless it is necessary for a student's health and well-being. When a student's licensed health care provider and parent(s)/guardian(s) believe that it is necessary for the student to take a medication during school hours or school-related activities, the parent/guardian must request that the school dispense the medication to the child and otherwise follow the District's procedures on dispensing medication.

No District employee shall administer to any student, or supervise a student's self-administration of, any prescription or non-prescription medication until a completed and signed "School Medication Authorization Form" is submitted by the student's parent(s)/guardian(s). No student shall possess or consume any prescription or non-prescription medication on school grounds or at a school-related function other than as provided for in this policy and its implementing procedures.

Nothing in this policy shall prohibit any school employee from providing emergency assistance to students, including administering medication.

#### **Self-Administration of Medication**

A student may possess an epinephrine auto-injector (EpiPen®) and/or asthma medication prescribed for use at the student's discretion, provided the student's parent/guardian has completed and signed a School Medication Authorization Form. The District shall incur no liability, except for willful and wanton conduct, as a result of any injury arising from a student's self-administration of medication or epinephrine auto-injector or the storage of any medication by school personnel. A student's parent/guardian must indemnify and hold harmless the School District and its employees and agents, against any claims, except a claim based on willful and wanton conduct, arising out of a student's self-administration of an epinephrine auto-injector and/or medication, or the storage of any medication by school personnel.

#### **District Supply of Undesignated Epinephrine Auto-Injectors**

The Director or designee shall implement Section 22-30(f) of the School Code and maintain a supply of undesignated epinephrine auto-injectors in the name of the District and provide or administer them as necessary according to State law.

Undesignated epinephrine auto-injector means an epinephrine auto-injector prescribed in the name of the District or one of its schools. A school nurse or trained personnel, as defined in State law, may administer an undesignated epinephrine auto-injector to a person when they, in good faith, believe a person is having an anaphylactic reaction. Each building administrator and/or his or her corresponding school nurse shall maintain the names of trained personnel who have received a statement of certification pursuant to State law.

Void Policy: Disclaimer

The **District Supply of Undesignated Epinephrine Auto-Injectors** section of the policy is void whenever the Director or designee is, for whatever reason, unable to: (1) obtain for the District a prescription for undesignated epinephrine auto-injectors from a physician or advanced practice nurse licensed to practice medicine in all its branches, or (2) fill the District's prescription for undesignated school epinephrine auto-injectors.

Upon any administration of an undesignated epinephrine auto-injector, the Director or designee(s) must ensure all notifications required by State law and administrative procedures occur.

Upon implementation of this policy, the protections from liability and hold harmless provisions as explained in Section 22-30(c) of the School Code apply.

No one, including without limitation parents/guardians of students, should rely on the District for the availability of an epinephrine auto-injector. This policy does not guarantee the availability of an epinephrine auto-injector; students and their parents/guardians should consult their own physician regarding this medication.

It must be updated for each student at the end of the year. It also needs to be updated if changes are made to the student's programming or behavioral interventions. When you complete the online form, be sure to mark the "send me a copy box". ### ***Requesting A Substitute***

When there is a need for a substitute, you are to call Renee at (618) 455-3396 x 222. She will arrange for all substitutes. If a substitute is needed in the middle of any given day due to an emergency, contact Renee immediately as well as your supervisor. If an emergency arises after 1:30 P.M., contact a supervisor immediately (**do not leave messages, talk directly to an administrator**).

You are responsible for adhering to the following rules and procedures regarding substitutes:

1. For unexpected illness to you or your immediate family members, phone as early as possible and leave a message on Renee's voicemail. If you know that you or a family member will be ill the following day, please call the evening before.

2. Personal leave is to be requested in advance as per contractual agreement and approved by the Director/designee. Once approved, a supervisor will notify Renee of the approved request. Please call Renee and confirm that a substitute has been obtained.
3. Almost all Doctor/Dentist appointments are made in advance. With substitutes being in short supply, it is imperative that as much advance notice as possible is given to your supervisor. The more lead time given, the better the chances are in getting your class a quality substitute teacher or substitute paraprofessional.
4. Requests to attend staffings are to be approved by your supervisor. After approval, call Renee at Ext. 222 to request a substitute. Please notify your supervisor that you have called Renee and a substitute was secured.
5. For classes with multiple paraprofessionals, it may be necessary for other paraprofessionals to cover for a paraprofessional if no substitute can be obtained. Please have an emergency staff reduction plan prepared and available within a week of the first day of school.
6. When calling for a substitute, you must give the following information:
  - Name, class and location
  - Substitute arrival time
  - Location of Substitute folder
  - Extenuating circumstances regarding your class/program or personnel, if any.

Every effort will be made to secure substitutes for all positions who may need one. Remember that we are competing with eleven school districts for substitutes.
