6:10 Educational Philosophy and Objectives

The District's educational program will seek to provide an opportunity for each child to develop his or her potential. The objectives for the education program are:

- To foster self-discovery, self-awareness, and self-discipline.
- To develop an awareness of and appreciation for cultural diversity.
- To stimulate intellectual curiosity and growth.
- To provide fundamental career concepts and skills.
- To help the student develop sensitivity to the needs and values of others and a respect for individual and group differences.
- To help each student strive for excellence and instill a desire to reach the limit of his or her potential.
- To develop the fundamental skills which will provide a basis for life long learning.
- To be free of any sexual, cultural, ethnic, or religious bias.
- The administrative staff is responsible for apprising the Executive Board of the educational program's current and future status.
