May 6th or 7th (rain date): LGS tack meet at the High School

WHAT'S NEW THIS MONTH?

3rd Grade Music Program

It is that time of the year again, I will be sending home a note sometime this week and you will need to let me know if your child will participate in the music program or not this year. I need to let Mrs. Wakefield know who will be coming and who will not so we can make a plan for it. If they are participating they will need to go to the church for a rehearsal day during school on the 15th. Thanks! The program will be at the Highland Church at 6 pm on April 16th!

Possible Field Trip

We have been invited to go with the Jr. High MSI class to the Terre Haute Children's Museum here at the end of April beginning of May. We are waiting to see which date is available and then I will let you know more information about where we are eating and when we are going

for sure. I think it will be a great opportunity for the kids to explore and learn and they will love it!

Easter Egg Hunt

We will be doing a class Easter Egg hunt sometime the week of 15th of April. I would like for it to be on the 18th, weather permitting, but we may have to make adjustments as needed. We will have some games, find the eggs, and have an Easter treat! The kids will have a blast hunting for eggs!

State Testing

We have been hard at work getting the State testing done for the third graders in the class. Everyone has done really well and I am very happy with the results. I think that the kids performed at their ability levels and that is all we can ask from them. The kiddos really have been troopers getting through all the testlets I have given to them so far. I have a couple that are still finishing up but we are almost done as a class.

Contact ME

You can call or email me at any time with any questions or concerns. Leave a message on the machine and I will get back to you ASAP.
