

## **STUDENTS**

### **7:250 Student Support Services**

The following services are provided to students enrolled in district classes:

1. Health services supervised by a qualified school nurse who administers the health program of the building to which the student is assigned.
2. Educational and psychological testing services and the services of a school psychologist as needed. In all cases, written permission to administer a psychological examination must be obtained from a student's parent(s)/guardian(s). The results will be given to the parent(s)/guardian(s), with interpretation, as well as to the appropriate professional staff.
3. The services of a school social worker. A student's parent/guardian must consent to regular or continuing services from a social worker.

The Director or designee shall develop protocols for responding to students with social, emotional, or mental health needs that impact learning ability. The District, however, assumes no liability for preventing, identifying, or treating such needs.

This policy shall be implemented in a manner consistent with State and federal laws, including the Individuals with Disabilities Education Act, 42 U.S.C. §12101 et seq.
