Sight Words: out, down, old, big, tree, friend, our, had, it's, very, cannot, fish, idea, town, over, animal, new, cut

Important Information

I hope everyone had a wonderful Spring Break and enjoyed the extra time off. We had beautiful weather! We will be going outside as weather permits for mask breaks and time to work outside. Please send a jacket for cooler days and mornings. Sometimes it is still chilly in the mornings.

This month, we will be discussing how the Earth has changed over time, by building houses/shelter, growing food, and building roads/bridges.

Please continue to help your child work on their functional skills-putting on clothes, sorting laundry, pouring a drink of water, put dishes away, taking care of toileting needs/brushing teeth, and writing their name. All of these skills will help your child to be as independent as possible.

If your child is displaying any symptoms of illness, please keep your child home. We are trying to help keep all students and staff healthy. COVID symptoms include: fever, cough, shortness of breath, difficulty breathing, fatigue, body aches, headaches, loss of taste or smell, sore throat, congestion, runny nose, nausea/vomiting, and diarrhea. Thank you for your help!

Enjoy the sunshine!!
