

Flora ECE news for the week of 9/7/21

This week in ECE we are learning all about the letter F, the color red, the number 2, and our Core vocabulary word of the week is "stop". We began our letter art last week, I hope that you can keep these so that you can make an alphabet book at home for your student. I hope all the students and parents / caregivers enjoyed our extended break! We are so very happy to have the cooler weather here we are enjoying every moment of playing outside!

The Illinois State Board of Education announced last week that we are able to offer remote learning during periods of extended absences once again. I will be sending home more information on your students google sese.org email so that they may use it to enter into our virtual classroom, and receive email links during these periods. It will be the same email used last year if your child was in our classroom. I will try to have the classroom up and going by the end of this week hopefully. It will include the songs and online learning links we use in the classroom. You are welcome to use these at any time to reinforce the learning themes we have here in the classroom at home.

Please feel free to send a jacket for mornings when the temperature is cooler. As always thank you for sharing your child with us! Mrs. Edwards and ECE staff
