Happy New Year!

January 2022

We welcome your student back to school for the New Year of 2022! The first 2 quarters have gone very fast. We have 95 days of school left and have many new skills and tasks to learn before the end of the year.

I am asking each student to do some homework for me at home each evening, Monday-Thursday, just as I did at Parent/Teacher Conferences on Oct. 28th. The homework response hasn't gone over very well. I was ready to give 5 sticks out to any student who did IXL or Reflex over break and was unable to give any out. :(

Safari Dental: Please send the Safari Dental form back for your student to participate in this wonderful program. Send it back by Thursday 1/6/2022 so we can get the forms to Safari Dental and they can plan on your student participating.

Coats and Shoes: Please be sure your student has a warm coat when they leave for school. The students go outside if it is higher than 32 degrees. With the weather getting colder and more germs spreading we are trying to keep everyone healthy. We wash or sanitize hands, wipe our desks and things that are touched frequently 2 or 3 times a day. It would be great if coats, hats and shoes could be washed over the weekend to help keep our room healthy. :)

Appointments (Counseling, Doctor, Dentist): If your student has any appointment and will be absent from school please be sure to let us know and contact transportation in advance. Thank you :)

Breakfast: There is only one option for breakfast this year. Please look at the breakfast menu and see if your student will eat it before your child comes to school. Some of the students are refusing to eat the breakfast option and are hungry until lunch. It's very difficult to educate a hungry, cranky kiddo. Breakfast menu is attached.

January No school or Early Out

January 14th- Out at 11:30am

January 17th- No School (Martin Luther King Day)

Reminders: Students need to be doing IXL Math and IXL Language Arts Monday through Thursday 15 mins each. This is their homework. Your help is greatly appreciated. We have a lot of material to cover before state testing starts in early spring.

Classroom phone number: 618-592-4598 There is an answering machine 24/7

Happy January 2022!! Hoping for a GREAT New Year!!

Mrs. Hawkins, Mrs. Fleenor and Mrs. Grove
