### HELLO FAMILIES...

I hope everyone had a great summer!

This month our main focus is to get to know the classroom rules, routines, expectations, and one another while working on academics.

We have two paraprofessionals or teachers aides this year. Mrs. Jody Grove and Mrs. Danielle Glover are eager to work with your students and are an important part of our classroom.

Links to join my Google Classroom has been sent to your students email address. If you need your students log in for their Google account please let me know. I will have activities posted that students can do at home for practice if they wish.

Please feel free to contact me with any comments, questions, or concerns.
