 - Classroom Code: u7jsybo
- If your child is absent I will need to be notified by either Remind App, text, call, or email to be considered an excused absence.

HELLO FAMILIES...

It has been great getting to know the students. We have been working hard in our academics and learning our classroom routines.

We have a class store that students can "shop in" on Fridays. They earn money throughout the week for various reasons such as good behavior, participating, and working hard. The store is not only used as a reward but to teach students about saving and how to use money. They have a chance to pick out an item from the treasure box based on their daily percentage as well. So if your child is bringing home toys you are not familiar with, this is where it is from.

Heads up!! Parent teacher conferences will be October 27th and 28th. I will be sending out more information about time slots to meet.

Please feel free to contact me with any comments, questions, or concerns.
