What's Going on in our Classroom?

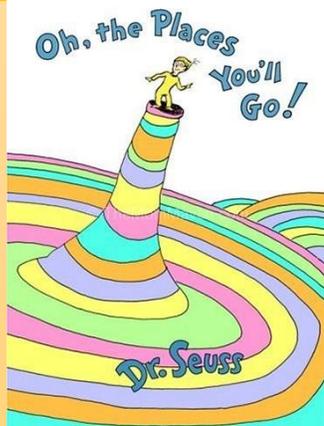

September 2022

Our 2022/2023 School Year has begun! *And we are looking forward to an outstanding year!*

At the time of writing this newsletter, our class has had perfect attendance. We have also had outstanding behavior. We would like to continue this pattern going forward. We currently have five students, with three who are in 8th grade that will be graduating. Parents are to purchase the gowns they are going to wear and we all would like you to be at the ceremony in May. Please welcome Mrs. Marshall as our new classroom paraprofessional from Ste. Marie. We celebrated her birthday on day one with chocolate cake - August 11th was her special day.

*"You have brains in your head.
You have feet in your shoes. You
can steer yourself any direction
you choose. You're on your own.
And you know what you know.
And YOU are the one who'll
decide where to go..."*

Dr. Seuss, *Oh, the Places You'll Go!*
