September 8th: Field Trip to Post Office, Dollar General, and Pizza Fast! **Please turn in permission slips and money.

September 13th- Early Dismissal at 2:10pm.

Unique

Curriculum: Unique is our curriculum we use for our students. Unique does a great job of teaching our kids different skills. Our unit topic is: Science Fair!

Cooking/Chores:

We typically cook everyday and do our chores within the classroom. This month we will be making popcorn, hot drinks from our classroom Keurig, and will be working on making cake in a mug, instant mashed potatoes, baked potatoes with toppings, and chocolate covered strawberries with almond bark.
