Parent Teacher Conferences are scheduled for Thursday evening 17th of November and Friday morning 18th of November. The conferences can be in person or on the phone. But due to scheduling I will not be having parent teacher conferences on Friday, 18 November. I will have conferences on Thursday evening from 3 to 6 pm. If the times don't work for you, please let me know and we can schedule a conference either in person or phone for an earlier time or different day. Thank you for your understanding.

Cold season is upon us. Please still err on the side of caution, if your student does not feel well, please keep him/her home. We just want everyone to stay healthy and at school. We do have to wait outside sometimes so please send a light jacket or shirt to stay at school.

We are working on trying to get another CBI field trip planned for December. During this CBI trip we will do some Christmas shopping for your student's family, if you would like him or her to participate. I will send more information when we get a date finalized.

As always, if you have any questions feel free to contact me at school between 8:00 and 3:30 pm, by email sdunahee@sese.org, by phone [\(618\) 617-1129](tel:(618)617-1129), or by sending a note. Thank you for allowing me to work with your student this year.
