

Flora ECE news for the week of Dec 12, 2022

This week in ECE we are learning all about the letter D, the number 14, the color green and the shape of a diamond. The students all did a wonderful job for our Christmas program! We are so happy you were able to all join us. We are continuing to review spatial concepts in speech, on, in, off, under, behind, above. The students help to tell the story of the Gingerbread baby to tell the story and practice these concepts. Lo We are also enjoying making our Christmas gifts to bring home very soon. Such a busy and fun time of year for us all! We are finishing up our second quarter tracking also for your student's individual educational plan. These progress reports will be going home after we return from Christmas break. Please let us know by Friday 12-16-22 if you wish to send drinks, plates, napkins, cupcakes or cookies for our Christmas party that will be held the last day of attendance before break on December 21. We will have an early dismissal that day at 1:40 PM . Students then return to school on January 4 of 2023. As always thank you for sharing your child with us! Flora ECE
