Absences

If your child is going to be absent for any reason, please give me a call. Students are to be free from symptoms or fever reducing medications for 24 hours before returning to school. Thanks! If your child has a doctor's appointment, please get a note from the doctor.

HAPPY NEW YEAR!!

I hope everyone had a wonderful Christmas and New Year with family and friends! Before we left for Christmas break, we had a Christmas party in our class. We did several fun activities. We made reindeer snacks, puppy chow, hot chocolate, watched The Polar Express, opened gifts, and we took down our class tree. Please go to the SESE website, www.sese.org and check out our classroom pictures. Once your on the website, click on SESE Staff, Classroom Teachers, and look for Katie Washburn.

We practice oral hygiene every day at school. If you could send a new toothbrush and extra tooth paste, that would be great. Thank you so much!

We go outside as much as we can, weather permitting. The students need the gross motor activities that outdoor play gives them. Please send coats, hats, and gloves. Our classroom can get chilly sometimes. Your child can leave a sweatshirt at school as well.

Due to illnesses, please be mindful of sending your child when they do not feel well. If they are sick, call and let us know. We are trying to maintain a healthy environment for all students and staff.
