Hello Parents!

October is going to be a great month for learning! We will send home a daily communication sheet so if you have questions, comments or suggestions for improving our class please let us know. We are enjoying learning and growing together in our MSI III classroom! If you are in need of anything for your child's education please call our classroom's direct line: 618-544-5567, Monday-Friday 7:45-3:15 p.m. Our paraprofessionals are: Lisa Wilson and Cathy Mabuce. Our team is happy to work with your student in our classroom!

Our upcoming Columbus Day/Indigenous People's Day holiday is Monday, October 9th, there is no school. October 25th is a half day attendance with early a.m. dismissal for students, October 26-27 are Parent/Teacher Conference Days and there is no student attendance. Tuesday, October 31st will be a Trick or Treat day at school. If you would like to send a treat to school we recommend items such as pretzels, potato chips, vanilla wafers, animal crackers or graham crackers.

This year our group of students will be SUPERHEROES for Halloween. If your student has a favorite superhero T-shirt please allow them to wear it on Tuesday, October 31st. Thank you for everything you are contributing to your student's education. Parents are the most important teachers!

Sincerely,

Ms. Valerie Vermilya, MSI III Teacher

South Eastern Special Education, Nuttall Middle School
