

February 2024 Newsletter

Mrs. Suzy Dunahée's Class

The school year has flown by, we are halfway through 3rd quarter (Feb. 2). Students have been working hard. We have been working on more vocational skills during the day.

SESE is putting together a Winter Dance for the students on Wednesday, 14 February in Newton from 10 am - 1 pm. Students will ride the bus to and from the dance from the school. This dance is for students only, this is because of limited space available. This dance will replace the Spring Prom. This dance **is not** formal, it is come as you are. But, saying this if you want your student to dress in formal clothing that is fine, too.

Parent/Teacher Conference will be next month on Friday, 16 February from 8:30 -11:30 am. I am sending home a Parent/Teacher Conference sign up sheet.

Cold weather is upon us, thus so is the awful allergy, cold, and flu season. So we ask if your student is showing any of the symptoms, please err on the side of caution. We want everyone to stay healthy and at school.

Please keep an eye on the weather and dress accordingly. If school should be canceled due to inclement weather, you should get an all call from the district to let you know. Also, listen to your local radio station and/or 92.9 (Olney's),

As always, if you have any questions feel free to contact me at school between 8:00 and 3:15 pm, by email sdunahee@sese.org , by phone (618) 617-1129, or by sending a note. Thank you for allowing me to work with your student this year.
